

Development and State in Brazil: How Do Some Institutions Think and Influence These Issues

Authors : Alessandro Andre Leme

Abstract : To analyze three Brazilian think tanks: a) Fernando Henrique Foundation; b) Celso Furtado International Center; c) Millennium Institute and how they dispute interpretations about the type of development and State that should be adopted in Brazil. We will make use of Network and content analysis of the sites. The analyzes show a dispute that goes from a defense of ultraliberalism to developmentalism, going through a hybrid between State and Market voiced in each of the Think Tanks.

Keywords : sociopolitical and economic thinking, development, strategies, intellectuals, state
