

Enhancing Human Security Through Comprehensive Counter-terrorism Measures

Authors : Alhaji Khuzaima Mohammed Osman, Zaeem Sheikh Abdul Wadudi Haruna

Abstract : This article aims to explore the crucial link between counter-terrorism efforts and the preservation of human security. As acts of terrorism continue to pose significant threats to societies worldwide, it is imperative to develop effective strategies that mitigate risks while safeguarding the rights and well-being of individuals. This paper discusses key aspects of counter-terrorism and human security, emphasizing the need for a comprehensive approach that integrates intelligence, prevention, response, and resilience-building measures. By highlighting successful case studies and lessons learned, this article provides valuable insights for policymakers, law enforcement agencies, and practitioners in their quest to address terrorism and foster human security.

Keywords : human security, risk mitigation, terrorist activities, civil liberties
