

Comparison of Presented Definitions and Aspects of Authenticity and Integrity in Adaptive Reuse

Authors : Golnaz Salehi Mourkani

Abstract : Two conception of Integrity and authenticity, in texts have just applied respectively for adaptive reuse and conservation, which in comparison with word "Integrity" in texts related to adaptive reuse is much more seen than Authenticity, which is often applied with conservation. According to Stove, H. (2007) in some cases, this conception have used with this form "integrity/authenticity" in texts, that cause to infer one conception of both. In this article, with referring to definitions and comparison of aspects specialized to both concept of "Authenticity and Integrity" through literature review, it was attempted to examine common and distinctive aspects of each one, then with this method we can reach their differences in adaptive reuse.

Keywords : adaptive reuse, integrity, authenticity, conservation
