

Enhancing English Language Learning through Learners Cultural Background

Authors : A. Attahiru, Rabi Abdullahi Danjuma, Fatima Bint

Abstract : Language and culture are two concepts which are closely related that one affects the other. This paper attempts to examine the definition of language and culture by discussing the relationship between them. The paper further presents some instructional strategies for the teaching of language and culture as well as the influence of culture on language. It also looks at its implication to language education and finally some recommendation and conclusion were drawn.

Keywords : culture, language, relationship, strategies, teaching
