

## Implementation of the Collaborative Learning Approach in Learning of Second Language English

**Authors :** Ashwini Mahesh Jagatap

**Abstract :** This paper presents the language learning strategy with respect to speaking skill with collaborative learning approach. Collaborative learning has been proven to be efficient learning methodology for all kinds of students. Students are working in groups of two or more, reciprocally searching for understanding, Solutions, or meanings, or creating a product. The presentation highlights the different stages which can be implemented during actual implementation of the methodology in the class room teaching learning process.
