

Further Results on Modified Variational Iteration Method for the Analytical Solution of Nonlinear Advection Equations

Authors : A. W. Gbolagade, M. O. Olayiwola, K. O. Kareem

Abstract : In this paper, further to our result on recent paper on the solution of nonlinear advection equations, we present further results on the nonlinear nonhomogeneous advection equations using a modified variational iteration method.

Keywords : lagrange multiplier, non-homogeneous equations, advection equations, mathematics

Conference Title : ICSRD 2020 : International Conference on Scientific Research and Development

Conference Location : Chicago, United States

Conference Dates : December 12-13, 2020
