

Toward Particular Series with (k,h)-Jacobsthal Sequence

Authors : Seyyd Hossein Jafari-Petroudi, Maryam Pirouz

Abstract : This note is devoted to (k; h)-Jacobsthal sequence as a general term of particular series. More formulas for nth term and sum of the first n terms of series that their general terms are (k; h)-Jacobsthal sequence and (k; h)-Jacobsthal-Petroudi sequence are derived. Finally other properties of these sequences are represented.

Keywords : (k,h)-Jacobsthal sequence, (k,h)-Jacobsthal Petroudisquence, recursive relation, sum

Conference Title : ICMSEA 2016 : International Conference on Mathematical Sciences, Engineering and Applications

Conference Location : Rome, Italy

Conference Dates : May 02-03, 2016
