

The Element of Episode and Idea in the Descriptive Poetry of Hutai'A

Authors : Abubakar Ismaila Yusuf

Abstract : This research studied element of episode (events) and idea in the descriptive poetry of Hutai'a with the intention to sale the opinion of this type of analysis to others, and also encourage and open door for researchers that thinks only in drama and novel those elements can be implemented. The research uses explanatory method to point out the element of episode and ideology from the said poetry to show that the same element of drama can be seen in poetry. The research finds that element of drama and novel can be seen and implemented analytically in dramatic and some descriptive poetry and its likes. The researcher finally advice colleague to widened scope of research and always think of modernizing it.

Keywords : Hutai'a, poetry, drama, novel
