

Andrea's Lifestyle Changes in Lauren Weisberger's 'The Devil Wears Prada'

Authors : Dini Riandini

Abstract : The research is aimed to find out the causes and effect of Andrea's lifestyle changes and the other factors that contribute to Andrea's lifestyle changes which influence Andrea's behavior and personality in The Devil Wears Prada novel. The method of this research is descriptive qualitative method. Theory of Anderson (1999) about social psychology is used to figure out Andrea's lifestyle changes. Lifestyle changes are influenced by social and environment in which people live. Andrea changes her lifestyle from simple to luxurious because of society and environment in which she lives. Social interaction creates humans' lifestyles which influence their personality and behavior.

Keywords : lifestyle, lifestyle changes, personality, behaviour
