

Evaluations of New Public Administration Reforms and Local Government Laws in Turkey in the Context of the Reforms

Authors : Handan Ertaş

Abstract : The subject of government reform which is started to be discussed all over the world today has also deeply affected Turkey. Turkey, who aims to come to the level of the developed countries and not to fall behind the change must immediately complete the reform issue. For this, the government needs to be redefined and changed in accordance with the new public administration. In the first part of this study, the new public administration reforms in the world are generally explained and then the reforms in Local Government Regulations in Turkey are evaluated with the method of Content Analysis.

Keywords : reform, local administration, neo-liberalism, globalisation
