

Linking Corporate Entrepreneurship with Human Resources Management Practices

Authors : R. Maalej, I. Amami, S. Saadaoui

Abstract : Within the growing body of literature on corporate entrepreneurship, there is a need to understand the relationship between human resource management and corporate entrepreneurship. This paper outlines the linkage between human resource management practices with corporate entrepreneurship. In response, we propose a review of the literature that is based on a conceptual reading of corporate entrepreneurship, human resource management practices and the relationship between them.

Keywords : human resource management, human resources management practices, corporate entrepreneurship, entrepreneur
