

## Memetic Marketing: An Emerging Online Marketing Trend and the Case with #TFWGucci Meme Campaign

**Authors :** Vehbi Gorgulu

**Abstract :** The primary objective of the current study is to explore how brand managers can employ Internet memes as a marketing tool. Internet memes are marked for their sarcastic and entertaining content and their amateur/DIY natures. The current study focuses on #TFWGucci, a collaborative marketing project enacted by Gucci, which is marked for being one of the first structured collaborative memetic marketing campaigns in the world. By embracing a qualitative approach, the study will explore production and meaning making processes of #TFWGucci campaign via analysis of sample campaign contents. The study will provide hints and insights for digital marketers on how to employ memetic marketing strategies in successful ways.
